

KAIROS POSTERS

These are a nice way of expressing love and support to all the candidates at one time. During the Kairos weekend, these posters are displayed on the walls of the Community Room for all to see.

These posters can be created by:

- Individuals
- Families
- Sunday School classes
- School classes
- Other Church groups

The posters must not have glitter, glue or paste. It is best to use only markers or colored pencils to do agape posters. Posters should depict God's love and include the name of the individual or group giving the poster (for children, first names and ages only, please). Posters created by a group should be signed by each member of the group.

Use plain white poster board or white banner paper. Adults may sign their full names, children first name and age only. No other personal information should be included.

The message on the poster is to be an uplifting one conveying the Love of Jesus and the joy of knowing Him as friend and brother; the love that God has for all of his children, whether incarcerated or free.

A simple poster might read: "Our prayers are with all the men of Kairos" and have everyone in your group sign their first names and ages. Then make sure that your group remembers to pray for the Kairos weekend.

Children may trace their hand prints all over the poster and put their first name and age within the hand print.
