There are many different ways Holy Spirit Vincentians serve. Some go on home visits, some work the pantry, some answer the phone, some tutor at the school, some shop, some cook, and some work on data entry and record keeping. In Fy 2019, Holy Spirit Vincentians drove over 21,100 miles as they used your contributions to help alleviate the suffering of the deprived. They logged over 3,200 hours of service, including 458 hours of tutoring at Holy Spirit School.
